

Establishing Your Voice from Within

LEADERSHIP is simply:

- Understanding and Owning the Organizational Lodestars
- Bringing Cohesiveness to the Team, and
- Moving the Team Members toward the Organizational Lodestars

Your Moments of Zen

The “Boss” of an Organization is the Vision, the Mission, and the Core Values

*The Secret of Establishing Your Voice is the Adjustments You Make with
Your Communication Styles*

*The Amount of Success You have in Life is Directly Proportionate
to the Amount of Adjustments You Make.*
